CALLISTA® BY l'ombre

*The perfect symbiosis
of award-winning craftsmanship
and innovative technology.*

Introducing Callista® by l'ombre.

A truly remarkable collection
born from a quest for uniqueness
and characterful elegance.

Each piece within the Callista® family
is crafted by passionate hands,
shaping solid wood into a natural silhouette
with an asymmetrical focal point.

Now internationally celebrated for its design,
Callista® becomes a timeless masterpiece
that plays with light and shadow —
without compromise.

l'ombre®

Each piece is one of a kind.

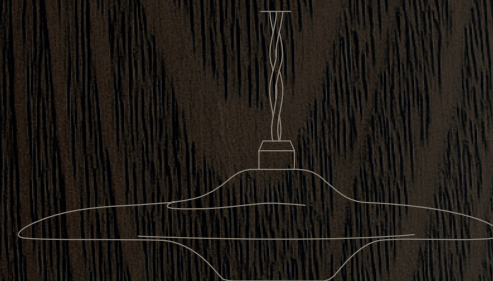

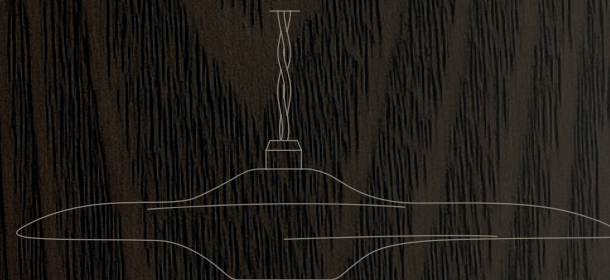

Asymmetrical yet perfectly balanced.

*Offered in two sizes,
designed to be combined.*

medium - ca 260

large - ca 340

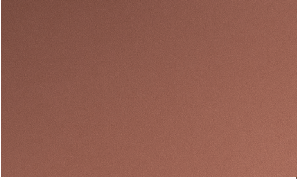

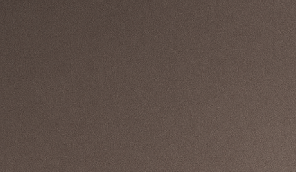

*6 solid colour finishes with oak stained
in a variety of shades.*

6 limewash colours that give Callista a natural, matte appearance.

All shown colors and finishes are indicative and may vary.
Samples of materials and finishes are available upon request.
Solid wood is a natural material, and its unique grain,
texture, and minor imperfections are not flaws.
They are the authentic character and charm of a genuine product.

Proud to be handmade in Belgium.
