NOT ONLY WHITE®

NOT ONLY WHITE® offers design-driven architectural bathroom solutions defined by minimalism and a high degree of customisation. Each element is developed with a focus on proportion, material quality and precision, allowing for a level of refinement beyond standard solutions. Designed to adapt to the needs of each project in form, size and colour, Not Only White enables a considered and highly tailored approach to shaping contemporary spaces.

Custom made. Design defined by your project.

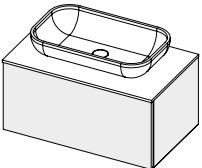

Not Only White’s custom made solutions are built on six refined models: Base, Box, Blend, Form, Mono and Noon. Dimensions, proportions and configurations can be adapted with precision. The position and number of basins, as well as integrated elements, are tailored to each project. Additional features such as tap holes, backsplashes, towel rails and storage can be seamlessly incorporated into the overall design. Himacs® material colours can be adapted to your design vision.

Shaping spaces. At every point of touch.

Luxury Hardware Group® is a collective of design-driven brands with distinct perspectives on detail, material and spatial experience. Together, they offer a refined and versatile approach to the elements that define how spaces are experienced.

Bringing together a curated selection of brands, each with its own vision, the group is united by an uncompromising commitment to quality, material integrity and refined design. It empowers architects and designers to shape spaces with precision, depth and character.

While every brand retains its own identity, their true strength lies in the ability to offer multiple perspectives within a single architectural vision, from precision and structure to expressive materials and creative freedom.

Together, they form a cohesive yet versatile approach to the elements that define how spaces are experienced, at every point of touch.
