

PASSAGE JACK

Passage is an architectural spotlight designed to define space through light. At the core of the design is a flat hinge that elegantly connects the fixture with the ceiling, shaping a calm and balanced silhouette. Designed from the inside out, Passage combines a spatial approach with technical precision and a custom developed optical platform offering multiple beam angles, colour temperatures and dimming options.

A curated range of finishes, including new aluminium and cast matt variants, highlights the purity of the form and the material expression of the design.

A PATHWAY TO A WIDER LIGHTSCAPE

PASSAGE JACK ADJUSTABLE 40 1X

MOUNTING	JACK
OUTPUT	UP TO 732LM
CCT	2700K 3000K WARM DIM (1800K - 3000K) 3500K & 4000K ON REQUEST
CRI	90+
EFFICACY	UP TO 89LM/W
BEAM ANGLE	SPOT MEDIUM FLOOD WIDE FLOOD
IP RATING	IP20
ADJUSTABILITY	H 360° V 0° / +90°
COLOUR & FINISH	WHITE MATT ALUMINIUM BRUSHED ALUMINIUM TUMBLED CAST GREY MATT CAST BLACK MATT CAST BRONZE MATT
DRIVER LOCATION	EXCLUDED
DESIGN	SEPPE VAN HEUSDEN
